

Summer Checkout for the Middle/Upper Learning Library

It has been a great year in the Galloway Library! In order to keep our students reading during the long summer break we're going to try something new in the middle/upper learning library. Summer checkout!

In order to be eligible, students must have returned all their books from this school year and be returning to Galloway next school year in either middle or upper learning. Parents will also need to sign the summer checkout agreement below.

We'll start summer checkout on Wednesday, June 1 and continue through the last day of school. Students can check out up to 25 books from the middle and upper learning library for the summer. Students must return the books the first week of school in August or pay the replacement cost for the books.

Summer Checkout Agreement

I certify that my child will be returning to The Galloway School in the fall of 2011 and that he/she has my permission to check out library books for the summer. We agree to take good care of the books and return them the first week of school. We understand that we will be required to pay the replacement fee for books that are lost or damaged.
